Thanks to Robyn Berry for heading that up. On Sunday, March 9th, we had Esteban Quijada for a possible summer youth intern. He taught the teens Sunday School class and Jr. church. Update on Eden Ministry Fire

A charger explosion sparked a fire in the computer lab of Eden Christian Academy in Doma, Zimbabwe. Ian Fry, who we financially support, is the president of Eden Ministries which operates this school.

They are asking for \$25,500 in contributions to renew their computer lab. As of March 7, the goal was only 19% funded, but by this past Sunday, March 9, the goal was met completely. Thank God for his generous people! Eden Ministries said any overage of funds will go towards a generator to power the village and if enough extra – a well for the village. If you would like to contribute, you can send a check payable to our church by the end of March with "Eden computer lab project" in the memo line.

Missions Ministry Team

We have appointed April Brickhouse & Susie Ainsley to serve as our Mission Ministry Team. They will be the primary point of contact between our congregation & your mission, facilitating communication and ensuring that we are effectively supporting your needs.

- Communicating your specific needs, whether they be prayer requests, financial support, material goods, or volunteer assistance, to the appropriate individuals within our church.
- Coordinating opportunities for our congregation to engage with your mission, such as through prayer, financial giving, short-term mission trips (if applicable), or other forms of support.

Keeping our church informed about upcoming events, projects, and opportunities related to your mission.

If you are interested in being on the missions, please contact April Brickhouse - 202-394-6561 or Susie Ainsley - 252-706-0001 know. Buddy Swain is still in charge of the benevolence.
