## Our Mission:

“Growing closer to God by serving and loving Him and others.”

“Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.’ The second is this: ‘Love your neighbor as yourself.’ There is no commandment greater than these.”

~Mark 12:30-31~

Hands & Feet Kid’s Ministry is all about helping kids get to know God and helping kids grow closer to Him by loving Him and loving others.

## Our Goals:

**Basic Truths:** Hands & Feet Kids will have many chances to learn about God through our weekly programming, through summer camp, and through VBS. They will learn about what the Bible says, about God and about Jesus’ amazing love for their life!

**Loving God & Others:** Hands & Feet Kids are challenged to put their faith in action. When we learn about the Bible, we want to share it with friends and families. We want to love and serve others by following the example of Jesus!

**Fun!:** Hands & Feet Kids also have the chance to grow in their relationship with others by having fun! Our kids take trips almost every month to some place where they can have a fun time with each other, such as Deadwood, pool parties, Air U Trampoline Park and much more!

**Ultimately, we want our kids to know that there is a God who created them and who loves them, and that He calls us to go out and love others.**
