73 Old Cherry Road
Creswell, NC
252-797-4680**

**Sunday School- 9:45am
Sunday Night- 6:00pm
Wednesday Night- 7:00pm**

Our Mission:

“Merging our lives to being the man (or woman) of God.”

Our goals are to pursue righteousness, by keeping each other accountable to be right with God. To strive to be godly, by learning and being the best representatives of God. Training our faith to be able to lean on God through all times. Showing our love through words and in deeds. Building up an endurance that we may stand against our foes and be able to stand with God. And to have the ability to be gentle with everyone around us in order to bring the Good News to them.

~1 Timothy 6:11~

Our Goals:

Spiritual Growth: We want our students to learn about Jesus and His love for them. At Merge, we take every opportunity possible to help our students grow in their faith. Merge students grow through many events throughout the year such as teen conventions, summer camp, teen VBS, and not to mention our weekly meetings.

Service: Merge students put their faith in action when they serve. They serve in house by helping with hands and feet, helping lead in church events, and taking rolls in youth Sunday. We also offer to do mission work with in the community, especially to the elderly within our congregation. During the summer our teens go out on a mission trip to help other people who are serving the Lord.

Fun! : Merge students also have the chance to grow in their relationship with others by having fun! Between game nights, beach trips, movie nights, and lock ins, there is always something to do.

Ultimately, we want our students to grow with their relationship with Christ and others. We want to help them to “Pursue righteousness, godliness, faith, love, endurance, and gentleness.”
